## Vintage Wedding Dress Exhibition

Were you married or know someone who married during the 40s, 50s or 60s and still have their wedding dress/outfit? The organisers of Howden Vintage Day would love to borrow them for an exhibition in Howden Minster on Saturday May 11th. Last year we had hundreds of visitors who loved the dresses, memorabilia and photos we acquired. This year we are aiming for a bigger exhibition. If you can help us in our search please ring Angela on 01405 761395.

## Polite Reminder...

Please remember to consider others when out walking dogs around the village. There are still a minority of dog owners not picking up their dogs poop, which not only poses a health hazard, but there are concerns that it could lead to certain areas in the village having access revoked. Residents have contacted the Airmyn News to express their concern over the misuse of the churchyard as a dog toilet. The church provide bins close to both entrances which they are happy for people to use to dispose of dog waste. There are various ERYC bins within the village which can also be used to deposit bagged dog excrement. Please visit ERYC website for more information on the law regarding this matter.

### **Snowdrop Festival**

The recent Snowdrop Festival raised a very surprising and very welcome sum of £544 for our church funds and grateful thanks are extended to all those of you who called in on the day and helped to make the event a success. When you realise that we have to pay almost £12,000 each year to the Diocese of Sheffield as our so-called Common Fund contribution, you will understand why we have to organise a fund-raising programme of events to supplement our income from collections at our services and from direct debit contributions that other people prefer to make. Airmyn is not alone in being in this position; all other parishes have a similar annual payment to make to the Diocese.

Donations of snowdrop clumps are being sought to replenish the show in the churchyard, please contact the church wardens if you can help.

### **Strawberry Tea**

One annual event which has been a part of our fund-raising programme for many years is the Strawberry Tea, which is held in July. For many years, Roger and Veilia Thomas have played host to this event in their much-admired garden. This year, however, much to their regret, they are not able to do so. The Airmyn PCC is therefore taking this opportunity to ask if there is anyone else in the village with a large garden who would be interested in playing host to this year's Strawberry Tea. If you feel that you might be interested in giving it a go, would you be kind enough to contact either of our churchwardens, Janet Rushby or David Galloway, to find out more about what would be involved.

### **Free compost from the churchyard for gardeners**

As usual in March, there will be some free well-rotted leafmould
