VOL 30/ISSUE 3/MAY 2021

## A BREATH OF FRESH AIR

We've had a long spell of where the new "going out" is staying "in in" but I am sure I can speak for the majority when I say we now welcome being "out out", all be it with an extra few layers.

Over the last couple of weeks, it has been lovely to see families and friends reunited out and about the village, children's sporting activities back in action, blue skies and THE PERCY ARMS BACK OPEN!!! Long may it last, welcoming exciting things to come.

Golden hour at The Percy Arms with a well overdue poured pint and a catch up.

Fields of gold in Airmyn

Goole Town Tigers U9s making use of the fantastic facilities down at Airmyn Memorial Hall playing field. Half the team are Airmyn lads, support and see them in action on a Saturday morning.

# WANTED

I am looking for any information about my 1966 E Type Jaguar that I believe was sold by Airmyn Garage to Mr Alan Voase around 1976.

At that time, it was light blue and registered LTN 3D.

Any information or photographs at all of Airmyn Garage around that time would be most helpful.

Thank you for your help,

Steve  
07729244851

motorcycle and car components.

*'Me in Virtute'*

# AIRMYN PARK PRIMARY SCHOOL

It's been a busy couple of months getting back into the swing of things. The whole school have recently taken part in "Weaving Day"; some found it therapeutic, some found themselves in a bit of a knot. **Below you can see weaving in action alongside a group of children from Dalby class.** Science week took part throughout the last week in April, where each class explored possibilities in becoming a scientist for the day. **Below are some of the scientists from Sherwood class.**

*Look out for photographs and details of "Sports Tournament Week" and "Go Wild Day" in the next issue!!*

Year 6 children from Cropton have taken part in their Bikeability Training; beginning in the playground and moving onto the streets in the village.

# CHURCH CORNER

## *Services*

2<sup>nd</sup> May - St. David's, Airmyn  
9<sup>th</sup> May - St. Mary's, Hook  
16<sup>th</sup> May - St. James' Rawcliffe  
23<sup>rd</sup> May - St. David's, Airmyn  
30<sup>th</sup> May - St. Mary's, Hook

6<sup>th</sup> June - St. James', Rawcliffe  
13<sup>th</sup> June - St. David's, Airmyn  
20<sup>th</sup> June - St. Mary's, Hook  
27<sup>th</sup> June - St. James' Rawcliffe

During the months of May and June, a service will be held at 10:00 am in just one of the three churches in our Benefice. The rota for these services are above.

Please note that there will also be a service to mark Ascension Day on Thursday, 13<sup>th</sup> May, which will be held in St. James' church at Rawcliffe and will commence at 7:30 pm.

You are welcome to attend any of these services but you must comply with the current social restrictions which are intended to minimise the chances of the Covid-19 virus being spread further. This means you must wear a mask, sit only in allocated pews and sanitise your hands on entry and on exit from the church. Singing is not yet permitted at services.

All these services may be viewed on the website of the host church which can be accessed via You Tube.

The good news is that, if the Government's 'road map' of stages leading us all out of these social restrictions stays on schedule, normal services will resume in all three of the above churches on Sunday, the 4<sup>th</sup> July, when we will all be able to mix freely once again.

## *Overweight agricultural vehicles passing through Airmyn*

Information has **just** been received that the police recently issued a penalty to the driver of one of the many agricultural vehicles passing through the village on the grounds that his vehicle was over the weight limit and that he was using the village as a short cut rather than working on land that is within our parish. The East Riding of Yorkshire Council has overturned the action taken by the police and has said that such vehicles are allowed to pass through Airmyn because the weight limit signs at the entrances to our village do not particularise agricultural vehicles as being covered by these restrictions.

If you feel angry about this situation, please contact the ERYC and find out who is responsible for this ruling and what can be done to have it changed. Many residents along the High Street are complaining that their houses are repeatedly being badly shaken by these vehicles and that serious damage is undoubtedly being done.

## *Prince Philip, Duke of Edinburgh*

At the recent Parish Council Meeting Cllr Fox asked all present if they wished to stand to reflect in a minute's silence.

Cllr Fox gave a short dedication to the Duke of Edinburgh, who passed away on 9 April 2021. She recalled he was an upstanding man, who dedicated his life to the public service of this country and the Queen. He was the longest serving consort in British History. He lived through a time of many significant world events, and served his Queen and country in the Royal Navy during WW2. He was a true gentleman, and he will be sadly missed and always remembered, not only by his family, but also by the public for his impressive commitment to the nation.

**Flag on Airmyn Clock Tower has been lowered to half-mast as a mark of respect.**

# AIRMYN PARISH COUNCIL

from the meeting held at Airmyn Memorial Hall on **Wednesday 10th<sup>th</sup> February 2021 at 7pm.**

## *Anti-social Behaviour in Airmyn, Memorial Hall Grounds & Village*

After receiving complaints from several residents living close to the Memorial Hall on Woodland Way, the Parish Council has reported these incidents to Humberside Police.

The Police have advised the Parish Council to communicate to the residents the correct procedure to report these events:

**Telephone No: 101 to report anti-social behaviour at the Memorial Hall or in the village, such as speeding, suspicious cars frequenting the car park late at night, persons creating nuisance noise and leaving litter.**

This is important, as the Police refer to the complaints logged on the 101 number to determine which areas to patrol. Currently, they informed the Parish Council, that there have been no complaints logged on this number from residents, and therefore no police activity has been implemented. If possible, reporting should take place at the time the incident is occurring, and if at all possible and with offending car registration numbers so that a patrol could attend at that time.

In addition, the Parish Council is currently investigating the installation of a security barrier at the entrance to the Memorial Hall Car Park, which would prevent access by unauthorised persons.

For any instances of fly-tipping, residents can report these direct to ERYC so that they can be dealt with quickly.
